## EVMS Rating of Quoted Price

### Notes:

- EVMS rated the price quoted by RadSurge Imaging of \$1,200,500 (\$240,100/year for 5 years) as “Poor” compared to current market prices.
- EVMS rating of “Poor” means potential savings of greater than \$120,050 (10%) may be available.
- Additional potential savings may exist in:
  - Service price
  - Service contract terms
- If you need or would like more detailed information, additional analysis will be required (additional fees apply).
