Ordering Details

All of the PPE products and suppliers included in this catalog have been carefully evaluated to ensure they meet hospital safety requirements and quality standards.

1. All prices listed are per individual unit unless other stated. Minimum order quantities may apply.
2. Prices do not include shipping which can be quoted at the time orders are placed.
3. Unless otherwise noted, samples of all products are available upon request.
4. Hospital references are available for all products and we can gladly provide these upon request.
5. Due to market conditions, product availability cannot be guaranteed until orders have been placed.

NOTE: Current market conditions are highly volatile and raw materials shortages; global supply chain disruptions and logistics delays are all impacting the production and delivery of many products including PPE.

About Miga Solutions
